

Tu iss zameen ki cheez nahi
Tu jaane kahaan se aayi hai
Tu iss chaman ka phool nahi
Tu kis gulsita se aayi hai, aayi hai

Teri kasam main hoon tera deewaana,
Tu jo kahe kar jaayunga
Teri kasam main hoon tera deewaana,
Tu jo kahe kar jaayunga
Tere liye hi main ji raha hoon
Tere liye hi main ji raha hoon
Tere liye mar jaayunga
Teri kasam main hoon tera deewaana,
Tu jo kahe kar jaayunga
Teri kasam main hoon tera deewaana,
Tu jo kahe kar jaayunga

Aashiq hoon main mastaana hoon main
Aashiq hoon main mastaana hoon main
Jal jaayunga parwaana hoon main ho ho ho.....
Koyi hawa ka jhonka nahi
Jo chupake se gujar jaayunga
Koyi hawa ka jhonka nahi
Jo chupake se gujar jaayunga
Tere liye hi main ji raha hoon
Tere liye hi main ji raha hoon
Tere liye mar jaayunga
Teri kasam main hoon tera deewaana,
Tu jo kahe kar jaayunga
Teri kasam main hoon tera deewaana
tu jo kahe kar jaayunga

Mera machalana mera tadpana
Mera machalana mera tadpana
Mat dekhana aankhein
Band rakhana ho ho ho o o...
Dekha jo tune meri taraf
Tere dil mein utar jaayunga
Dekha jo tune meri taraf
Tere dil mein utar jaayunga

Tere liye hi main ji raha hoon
Tere liye hi main ji raha hoon
Tere liye mar jaayunga
