

Teri lori yaad hai aati
Tere bina main so na paaun
Kaisa hai najane andhera
Dekho main dar dar jaaun
Teri lori yaad hai aati
Tere bina main so na paaun
Kaisa hai najane andhera
Dekho main dar dar jaaun

Uth ke dhoondhun
Chaaron taraf main
Tujh ko phir bhi dekh na paaun
Main jo tujh se door hun itna
Kaise tere paas main aaun
Maateri lori yaad hai aati
Tere bina main so na paaun
Kaisa hai najaane andhera
Dekho main dar dar jaaun
Tu bethi hogi khaane ki thaali
Chawal ke laddu us per saja ke
Aankhein teri roti hongii

Aane ki meri aas laga ke
Aahat sun kar tu jaagti hogi
Mere qadmon ki rasoi se aati
Bhaagti hogi phir kone kone
Ruk jaati hogi mujh ko na paa ke
Maa.

Teri lori yaad hai aati
Tere bina main so na paaun
Kesa hai najaane andhera
Dekho main dar dar jaaun
Deewaron par latki patangein
Ud jaane ko bechain hongii
Charkhi par jo dhul jami hai
Dhaage par woh ghisti hogi
Galiyaan khaali raste chup honge
Pedon par jhoole roothe honge
Mera tukda aasmaan ka rota hoga

Maamere aansu us mein miley hain
Kaise un ko bolo chupaaun.
