

Teri meri meri teri ek kahaani hai
Baatein kuch ankahee kuch bataani hai
Shaam savere tujhe dhoonda maine
Jaane kis kis gali
Teri meri meri teri baatein puraani hai

Aasman ke rang dekh hi raha hoon main,
Kabhi neela hai, kabhi laal hai
Kabhi peela hai, kabhi narangi
Kabhi satrangi, kabhi baingani...

Baaton baaton mein kar baithe mulaqaatein
Tu hi toh hai jisey dhoondti hai meri aankhein
Dekhoon kabhi dayein, kabhi baayein
Kabhi peeche kabhi mere aagey

Teri meri meri teri ek kahaani hai
Baatein kuch ankahee kuch bataani hai
Shaam savere tujhe dhoonda maine
Jaane kis kis gali
Teri meri meri teri baatein purani hai

Kya mera kya tera hai yahaan
Jo bhi hai bas usko baat le
Jitne bhi pal tere mere sang
Khushi khushi hanste hanste tu kaat le
Aane nahin doonga palkon pe aansoo
Tere main kabhi...
Mujhko sataaye agar mujhko rulaaye
Kuch bolunga nahin...
Aane nahin doonga palkon pe aansoo
Tere main kabhi...
Mujhko sataaye agar mujhko rulaaye
Kuch bolunga nahin...

Baaton baaton mein kar baithe mulaqaatein
Tu hi toh hai jisey dhoondti hai meri aankhein
Dekhoon kabhi daaye, kabhi baaye
Kabhi peeche kabhi mere aagey...

Teri-meri meri-teri ek kahaani hai

Baatein kuch ankahee kuch bataani hai...
Shaam savere tujhe dhoonda maine
Jaane kis kis gali...
