

Nain mile uske bad
Phool khile uske bad
Chain gaya uske bad
Pyar huya uske bad
Teri meri shadi hogi
Denge log mubarakbat
Teri meri shadi hogi
Denge log mubarakbat
Nain mile uske bad
Phool khile uske bad
Chain gaya uske bad
Pyar huya uske bad
Teri meri shadi hogi
Denge log mubarakbat
Teri meri shadi hogi
Denge log mubarakbat

Aakhir ye takdir hamari
Kab tak humse ruthegi
Aakhir ye takdir hamari
Kab tak humse ruthegi
Ye unchi unchi duniya
Ki divar giregi tutegi
Chori chori milne se phir
Jaan hamari chhutegi
Is badnami ke dar se
Hum ho jayenge aazad
Teri meri shadi hogi
Denge log mubarakbat

Uske bad, maine
Puchha uske bad
Kya shadi ke bad bhi sajan
Aise git sunayenge
Kya shadi ke bad bhi sajan
Aise git sunayenge
Ya chhup baithe dur se sajni
Ke man ko tadpayenge
Sajni sajan se phir hum
Miya biwi ban jayenge
