

Mai bechain hu rukh se parda hata de  
Kaleja mera muh ko aane laga hai  
Batade hame raz e ulfat bata de  
Ke ab shabar hatho se jane laga hai  
Aankh jhuk jhuk ke uthe uthke jhuke  
Sans tham tham ke chale chalke thame  
Husn ka aur ishk ka khanjar  
Aaj hum dono pe jam jam ke chale  
Teri ye nigahe khanjar teri ye bahe khanjar  
Teri adaye khanjar teri jafaye khanjar  
Tera hasna bhi khanjar  
Tera rona bhi khanjar  
Hath me lele khanjar  
Chale khanjar pe khanjar  
Chale khanjar pe khanjar  
Chale khanjar pe khanjar

Ye shama fir se na badal jaye  
Pyar ka dam hi na nikal jaye  
Tere aane se pahle dunia ka  
Mujhpe khanzar kahi na chal jaye  
Mujhpe khanzar kahi na chal jaye  
Ab to aaja ke jan ajti hai  
Ek aashik ki aan jati hai  
Ha ye dar badhta jata hai  
Ishk ki ab to shan jati hai  
Ishk ki ab to shan jati hai

Chand taro ki kasam in najaro ki kasam  
Husn mitne laga hai jigar jalne laga hai  
Maut se kar li bate khuli hai fir bhi aankhe  
Jaha chode baithe hai kafan odhe baithe hai  
Kafan odhe baithe hai  
Kafan odhe baithe hai  
Kafan odhe baithe hai

Tuhi bandagi tuhi pooja hai  
Tu hi mera ishk tu mahbuba hai  
Tuhi bandagi tuhi pooja hai  
Tu hi mera ishk tu mahbuba hai

Tuhi bandagi tuhi pooja hai  
Tu hi mera ishk tu mahbuba hai  
Tera raz kisne kaho kab hai jana  
Tera raz kisne kaho kab hai jana  
Na jana hai jikar na janenge mar kar  
Na jana hai jikar na janenge mar kar  
Lo hum aa gaye hai fir tere dar par

Lo hum aa gaye hai fir tere dar par  
Laga hai hame teri ulfat ka khanjar  
Laga hai hame teri ulfat ka khanjar.
