

Hmm teri noorani palakon tale,
 Ek musafir jagah chahata hai
 Teri noorani palakon tale,
 Ek musafir jagah chahata hai
 Jindagi, jindagi bewajah katt rahi hai,
 Koi pyari wajah chahata hai
 Teri noorani palakon tale,
 Ek musafir jagah chahata hai
 Teri noorani palakon tale

Baitha hu bechaini ki sarhad pe,
 Muddat se main
 Tujhko bulata hu jaanam kitni,
 Mohabbat se main
 Meri wafa ka tu imtihan yun na le
 Teri nuranee palakon tale
 Ek musafir jagah chahata hai
 Jindagi, jindagi bewajah katt rahi hai
 Koi pyari wajah chahata hai

Hey hey aa aa hey hey aa aa
 Hey hey hey hey..
 Ulajha hai kabse yeh dil,
 Tanhai ke resham se
 Aaja tu abb iss dil mein,
 Munh mod ke yun gham se
 Ho jaaye gum do dil ke sab faasle,
 Teri noorani palakon tale
 Ek musafir jagah chahata hain
 Teri noorani palakon tale
 Ek musafir jagah chahata hain
 Jindagi, jindagi bewajah kat rahi hai
 Koi pyari wajah chahata hai
 Teri noorani palakon tale
