

Teri surat jo bhari rehti hai aankhon mein sada
Ajanabi log bhi pehchaane se lagate hai mujhe
Tere rishton mein toh duniya hi piro li maine

Ek se ghar hai sabhi, ek se hai baashinde
Ajanabi shehar mein kuchh ajanabi lagata hi nahi
Ek se dard hai sab ek se hi rishte hai

Umrr ke khel mein ik tarfa hai yeh rassakashi
Ik sira mujhako diya hota toh kuchh baat bhi thi
Mujhase tagada bhi aur hai saamane aata bhi nahi

Saamane aaye mere dekha mujhe baat bhi ki
Muskuraaye bhi puraane kisi rishte ke liye
Kal ka akhbaar tha bas dekh liya rakh bhi diya

Woh mere saath hi tha dur tak magr ik din
Mudake jo dekha toh woh aur mere saath na tha
Jeb phat jaaye toh kuchh sikke bhi kho jaate hai

Chaudhave chaand ko phir aag lagi hai dekho

Phir bahot der talak aaj ujaala hoga
Raakh ho jaayega jab phir se amaawas hogi
Teri surat jo bhari rehti hai aankhon mein sada
Ajanabi log bhi pehchaane se lagate hai mujhe
Tere rishton mein toh duniya hi piro li maine.
