

Tu na jaane kya kayamat dhai dil pe
Ek teri yaad tere aana se
Pahele ek tere jaane ke baad

Aate aate aate teri yaad aa gayi
Jaate jaate jaate muje tu rula gayi
Aate aate aate teri yaad aa gayi
Jaate jaate jaate muje tu rula gayi
Aate aate aate teri yaad aa gayi
Jaate jaate jaate muje tu rula gayi

Aate aate aate teri yaad aa gayi
Jaate jaate jaate muje tu rula gayi

Tanha reh na paaun jaau kaha jaaun
Tuje jo na paaun ghut ke mar na jaaun
Ye na kabhi hoga yahaa jeena nahin tere bina
Ye raate mulakate yaad aaye teru baate ho

Tera jab na saath ho jab namulakat ho
Suni suni raat ho dil main teri yaad ho
Phoolo se baharo se
Taaro se teri baat ho
Chori chori chori dil mai sama gayi
Jaate jaate jaate muje tu rula gayi

Aate aate aate teri yaad aa gayi
Jaate jaate jaate muje tu rula gayi

Tu mera naseeb hain
Dil ke tu kareeb hain
Jisme tera pyar hain
Dil wo khush naseeb hain

Tu hain mera jaane jahaan
Tu jo kahe de doon ye jaan
Tuje chaha tuje pooja
Nahin mera koi duja ho

Rab rooth jaaye use bhul jaau
Rab ko bhula ke tere piche aau

Roothe tu jo roothe
Main duniya se rooth jaau
Yaara teri yaari rab ko bhula gayi
Jaate jaate jaate muje tu rula gayi

Aate aate aate teri yaad aa gayi
Jaate jaate jaate muje tu rula gayi
Aate aate aate teri yaad aa gayi
Jaate jaate jaate muje tu rula gayi.
