

Aaha ha ha...

Har ghadi hai bekarari
Hai khumari kuchh is tarah se
Mere andar mere baahar
Hai aks tera hi har jagah pe
Teri yaadein, teri yaadein
Teri yaadein, teri hi yaadein
Teri yaadein, teri yaadein
Teri yaadein, teri hi yaadein..
Aa..aa..
Aa..aa..

Bin tere, tere bin
Hai adhoori daastan
Tere hi sapne
Meri aankho mein ravaan
O tu hi meri aas
Tu hi meri pyaas
Tere bina main kaise jiyun..
Teri yaadein, teri yaadein
Teri yaadein, teri hi yaadein
Teri yaadein, teri yaadein
Teri yaadein, teri hi yaadein..
Aa..

Dooriyan badh jaayengi
Thi kise yeh khabar
Rok leta main tujhe
Mere bas mein hota agar
Hai yakeen is pyaar par
Hogi ek rehguzar
Chheen loon duniya se main
Taqdeer ka rukh modkar
O yeh qaaynat tujhse mila de
Main baar baar sajde karoon
Teri yaadein, teri yaadein
Teri yaadein, teri hi yaadein
Teri yaadein, teri yaadein
Teri yaadein, teri hi yaadein..
