

Teriyan meriyan haseen gal baatan ne,  
Teriyan meriyan khidiyan kainaatan ne,  
Mainu dil ch vsake hun kadd tu na devin,  
Mainu apna banake hun rehn tu na devin,

Ek kaisi teri zidd maahi ve,  
Chala jana hai tu door karke majboor,  
Rok vi ni sakdi tainu,  
Hoi main vi mazboor mera haiga ki kasoor,

Mainu dil ch vasaya ae hun aitbaar kari,  
Mainu apna banaya hai hun naal tu naal ravin,

Haan hoye mureed tere teri hi muraad mangde,

Har saah vich sohni teri yaad,  
Inj katdiyan meriyaan raatan ne,

Teriyan meriyan naviaan shuruatan ne,  
Teriyan meriyan sohni chand mulakaatan ne,

Mere khwaban wich mahi sirf tera hai zikar,  
Din raat maari jaave mainu teri eh fikar,  
Majbooriyan ne wakh karte ne raah,  
Par zindagi eh teri tere naal mera saah,

Mere vi taan khaab sune tere ton bagair,  
Tu zindagi ae meri na hojavin methon gair,  
Eh aakhri khwaishaan ne  
Na vakh hoiye na kadi pain judaiyan ne.
