

Thalava Lyrics

Kali kadal murinje
Kari nizhal maranje
Thuru thure chorinje
Thalavaa thalavaa

Chira mathil thulanje
Athinu akam thelinje
Nela nela marinje
Thalavaa thalavaa

Eyes in the dawg he a master a legacy
Comin back with haze in his eyes he a legatee
Walking like a king hes owning the prophecy
He be dropping bombs in the way he a trenchancy
People looking out for the king better on the checks
He be watching out for his kingdom he is on the deck
Sacrificed the nights for the people keeping border checks
King on the chess board better be a menassq flex

Vaa vaa thaninayakane
Vaa vaa velayadavane
Neru viriyana pakalukalini varane
Vaa vaa thunayayavane
Vaa vaa jananyakane
Lokamariyana perumakalini niraye

Kanalaye kadalaye
Ini naadin thani neruke
Piriyathe palaraye
Niranirayi nin pirake

Vidhi vilakkukal ini neeye
Athu parakkilla thala mele
Thari thadukilla ini mele

Kali kadal murinje
Kari nizhal maranje
Thuru thure chorinje

Thalavaa thalavaa

Chira mathil thulanje
Athinu akam thelinje
Nela nela marinje
Thalavaa thalavaa
