Band u baaja baaraath u

Natyam kondu mayajalam kattum  
Vishwa samrat u  
Thudangatte chenna nattil  
Pallivetta aarattu

Ninte cheetu keerum sankhya  
Randu randu iratta anchu  
Oro idiyilum muzhangum en  
Prabhavamiratti punchu

Idanjaal sheelam keezhu mel mariyum  
Chudalel eduthu vekkum chotta  
Enne vellaan ellaam ponnoruthan

Nettipattam nettipattam  
Kottum melam kottum melam  
Nakshathrathin aavesha therottamaai

Vettikkerum veerullavan  
Chutti paarum theyayavan  
Vettikkerum veerayavan  
Chutti paarum theyayavan

Arambo ambambo  
Vamban kolakoban varane

Kireedam enthinu rajaa  
Thalayeduppu otha majjaa  
Chenkol enthinu rajaa  
Chuttum undu kodi prajjaa

Ninte cheetu keerum sankhya  
Randu randu iratta anchu 2255  
Oro idiyilum muzhangum  
En prabhavam iratti punch u

Aavathillel ninnu kenjidaathe  
Kaikal kooppi odu  
Gopan ethi vartha parathu naadu  
Motham potte dhoothu aah

Yah haa yamma...  
Ini aaraattu..  
Gulu gulu gulu gulu...

Competition taekwondo pande  
Arappatta ketti naadan  
Gusthi engil swarna medal  
Annan ethra nedi

Angathattil kalari engil ente  
Gajavadivil nee urumi  
Padam aakum chumaril  
Aruthu churika vaalu  
Paricha urumi aah

Vaada poda vili venda  
Mallidaam kaipathi nin chekidathu  
Kai muttu kondini asura thaalam  
Kottellam nin muthukathu

Shathruvin koottaali 100 ennam ulloda  
Sangattanam kanam poraa  
Ethiru cheriyil aayiram vannaalum  
Athu enikku ente romaa haa.
