

Thandi thandi hawa jo aaye
Koi choti si badariya ko chhed jaye
To mai kya karu batade jane wale o
Satane wale o
Thandi thandi hawa jo aaye
Koi choti si badariya ko chhed jaye
To mai kya karu batade jane wale o
Satane wale o

Har boond jo barsegi rulayegi
Har boond jo barsegi rulayegi
Tu bhul hume teri yaad aayegi
Tu bhul hume teri yaad aayegi
Janewale itna kah jana
Janewale itna kah jana
Mere lakh manane par bhi
Dil na mana
To main kya karun batade jane wale o
Satane wale o

Thandi thandi hawa jo aaye
Koi choti si badariya ko chhed jaye
To mai kya karu batade jane wale o

Satane wale o

Ek dard mohabbat ka tha kya kam
Ek dard mohabbat ka tha kya kam
Ab nit ki judaai ke na de gham
Ab nit ki judaai ke na de gham
Janewale itna kah jao
Janewale itna kah jao
Mere lakh bhulane par bhi
Tum yaad aao
To mai kya karu batade jane wale o
Satane wale o
Thandi thandi hawa jo aaye
Koi chhoti si badariya ko chhed jaye
To main kya karu batade jane wale o
Satane wale o.
