

Thangameeney Song Lyrics

Ava yaaru enga theriyala
Kai pesi nozhanju vandhaale
Korala kooda kekkala
Otha usura pudungi kondaale

Ava yaaru enga theriyala
En manasa muzhungi thinnale
Mookku muzhiya paakkala
Oru kodi kerakkam thanthaale

Thaanaa vandha kaadhal dhevatha
Veenaa pesa neram podhala
Thena vandhu kottum aasaiya
Vena solli thalla nenjil thembilla

Thangameeney thangameeney
Nenappula thulli kudhikkiren
Enga poren enna aaren
Nelavaram onnum puriyala

Thangameeney thangameeney
Nenappula thulli kudhikkiren
Enga poren enna aaren
Nelavaram onnum puriyala

Maiya theettura kannukkullaara
Enna paakka yenguren
Kammal kaadharam padikkum raagatha
Kekcum naala theduren

Kedaiyaa kedanthen ava veral naga idukkula mannaaga
