lyrics

Aalathin centre
Thaniyalathi kalanthar
Aapathin mentor
Tharamakaatha sarander

Ethiyole ethiyole
Murivaru mariniyade
Thira therayi
Pemaripadaye pankaa

Kannozhi chikkana vaale
Chiri maadhurathika vaale
Athikayathi amaraathi
Pada koodan vaa

Aalathin centre
Thaniyalathi kalanthar
Aapathin mentor

Tharamakaatha sarander

Break that border

Take no orders

I'm no goddess

Without bringing the terror

Go getters, the bold better be mirrored

Lights out, we bring in the shivers

Stand for your people

Gotta fight for your grounds

When the stance is medieval

And the quiet is loud

You gotta plan another sequel

Then riot it out

Gotta command the upheaval

As high as the clouds

How do you want it to be?

You gotta fight for a reason, baby

Freedom ain't free

Ethiyole ethiyole

Murivarumariniyade

Thira therayi

Pemari padaye panka

Kannozhi chikkana vaale

Chiri maadhurathikavaale

Athikayathi amaraathi

Pada koodan vaa

Aalathin centre

Thaniyalathi kalanthar

Aapathin mentor

Tharamakaatha sarander

Aalathin centre

Thaniyalathi kalanthar

Aapathin mentor
Tharamakaatha sarander

You gotta fight for a reason baby
Freedom ain't free
Your future is now
Tell me what you see

You gotta run it to the ground baby
Freedom ain't free
Your future is now
Tell me what you see.
