Ada nee lladhaa naanum naanilaa

Thaniyae kaadhal pesanum
Muttha kadana theekanum
Rendu manasum seranum
Oththa usuraa maaranum

Dhevadhaiyae nee ennodu vaa
Kaadhal kootilae vaazhndhu paarkalaam

Karaiyula kaadhal oiorudhae
Kadal thanni koodaa inikudhae
Kavalaigal kaathilodi kalaanji pogudhae

Nilavula unna paakuren
Anaikura megamaaguren
Pirinjida manasillaam sutthithiriyuren

Nenjukulla eramaa saarkaathu veesum
Vaanaavilla polathaa vaazhka maaridum

Thaniyae kaadhal pesanum
Muttha kadana theekanum
Rendu manasum seranum
Oththa usuraa maaranum

Vizhiyila thoondi podura
Usurayum setthu lzhukura
Siripula bodha yethi enna mayakura

Adikadi enna marakuren
Nee thoda thirumba porakuren
Tharayila kozhandha pola thulligudhikiren

Unna paakum bodhellam uppukaathum inikum

Vaanu mannum sendhudhaa sorgamaayidum

Thaniyae kaadhal pesanum
Muttha kadana theekanum
Rendu manasum seranum
Oththa usuraa maaranum.
