

Thank You God Lyrics

Uski tareefein mujhe jis ne banaya
Chandi jaisa rang baal sone jaisa paya
Kehnda mainu sheesha hai gajab teri kaya

Saaye ko mere haan thodi mujhse jalan hai
Chuki mujhe jalne ka uska bhi mann hai
Roop ki adalat bheje daily hi summon hai

Main nahi lok hi sare mere naal
Yahi kehna chaahe dohraye
Every time I look in to the mirror
I say thank you god

You did a damn good job
Bharatlyrics.com
Give him a round of applause
And all the boys go ah ah ah

Thank you god
You did a damn good job
Does the queen need a raj
And everybody goes ah ah ah

Hadbadi na koi mujhko banane me ki
Bana ke khud nu kahan oh teri
Na honi hun toh kabhi koi aisi

Ayy nikon!
She's flash camera lights on
She the snake charmer
Gon catch the python
Hitz only call her mike tyson
Breakin' boys necks
From jay sean to jason

Aye aye money money
Aye aye aye dhvani dhvani
Aye aye aye ya twenty twenty late
Well thank god

That she's what god made

Main nahi lok hi sare mere naal
Yahi kehna chaahe dohraaye
Every time I look in to the mirror
I say thank you god

You did a damn good job
Give him a round of applause
And all the boys go ah ah ah

Thank you god
You did a damn good job
Does the queen need a raj?
And everybody goes ah ah ah

Thank you god
Thank you god
