

Rakh seene mein tera  
Vaada jiya re  
Poori zindagi main toh  
Aadha jiya

Tu mera dard na jaane  
Aake laga le tu gale  
Toh maine dard bhulaane

Dhak-dhak-dhak-dhak  
Dil ka charkha aash ke rang dikhawe  
Re kaun sa aisa rashta hai jo  
Mujhtak tujhko laawe

Ki thap thap  
Ki thap thap dholak bighar bulaave  
Ki thap thap roz hi birha gaave  
Ki thap thap,  
Dhoolak tan ki dhamaal karti  
Pal pal tera khayal karti  
Dhap dhap karti dhamaal karti

Aur hai ki thap thap dholak dighar bulaave  
Ki thap thap roz hi birha gaave  
Ki thap thap,  
Dhoolak tan ki dhamaal karti  
Pal pal tera khayal karti  
Dhap dhap karti dhamaal karti

Re bas sunle duwayein meri  
Yun jeete jee na maar mujhko  
Oho rabba sunle duwayein meri  
Yun jeete jee na maar mujhko  
Kya karni khudayi maine teri  
Milaaya na do yaar mujhko

Dhak-dhak-dhak-dhak  
Dil ka charkha ghoom ke rukk na jaaye  
Ki shaam hogayi  
Mujhse lambi ho gaye rain mere saaye  
Ki thap thap dholak dighar bulaave

Ki thap thap roz hi birha gaave  
Ki thap thap,  
Dhoolak tan ki dhamaal karti  
Pal pal tera khayal karti  
Dhap dhap karti dhamaal karti

Haaye, ki thap thap dholak dighar bulaave  
Ki thap thap roz hi birha gaave  
Ki thap thap,  
Dhoolak tan ki dhamaal karti  
Pal pal tera khayal karti  
Dhap dhap karti dhamaal karti.
