

Don the don don the don
Don the don don the don
Jo aandhi se takrata hai
Jo toofan ban ke aata hai
Jurm ko khud hi apna kar
Duniya se jurm mitata hai
Don the don don the don
Don the don don the don
Jo aandhi se takrata hai
Jo toofan ban ke aata hai
Jurm ko khud hi apna kar
Duniya se jurm mitata hai
Don the don don the don
Don the don don the don

Jisne banaya apna jahan
Jo khud hai kanun yaha
Jisne banaya apna jahan
Jo khud hai kanun yaha
Har dil par karta hai raaz
Jo ek raja hai betaj
Kamjoro ki hai wo takat
Bolo wo hai kaun
Don the don don the don
Don the don don the don

Ek masiha aaya hai
Pyar ka badal laya hai
Ek masiha aaya hai
Pyar ka badal laya hai
Wo dil se dil jodega
Duniya ka rukh modega
Kante chun kar phul bichhaye
Bolo wo hai kaun
Don the don don the don
Don the don don the don

Ab na kaali raat rahi
Na gham ki barsat rahe
Ab na kaali raat rahi

Na gham ki barsat rahe
Julm nahi hai paap yaha

Ab hoga insaaf yaha
Gaddaro ko sabak sikhaye
Bolo wo hai kaun
Don the don don the don
Jo aandhi se takrata hai
Jo toofan ban ke aata hai
Jurm ko khud hi apna kar
Duniya se jurm mitata hai
Don the don don the don
Don the don don the don
Don the don don the don
Don the don don the don.
