

The Indian Hip Hop Cypher Song Lyrics

It's me to the max
I spit only facts
Khotta karta ni flex yeah

Ayyy
Yeh hai warzone chhote
Aur mai lera headshot
And i walk with no vest

I rep br and we are on top
F*ck pr f*ck all your bots
Hum dere yaha hits ye lere hai shots
You know we the best
And banging on my chest singin'

Saare bhai yaha wavy
Got the swag got the drip got the gravy
Hum surf kare wave jaise navy
Aaja turf pe if you wanna play with us

You better watch out
Kiya yedechale to seedha knockout
Macharele ladke saare dropouts
Aaye hum maidaan me
To karte saare walk out

Aane de bhaa aane de bhaa
Khaate me aarela jo bhi
Tu aane de baa
Positive vibes ko aane de baa
Negative energy fatt se vata daale

Aane de bhaa
Khaate me aarela jo bhi
Tu aane de baa
Positive vibes ko aane de baa
Negative energy fatt se vata daale

Aate jab bhi apan mic pe kar daale block chhote tera naaka
10 me se poora 10 bole toh sab kuch mera proper
Shez bole toh s-h-e-z number one shotta
Khota tu bhide toh banger machine ka khayega laafa rata tatata

Manifest kara sab kuch

Mera first class dikha future
Bole shine karrele aasman mein
Roshni ko failaane
Ye cypher ni hai cypher bole sailaab hai
Haan borderline pe shooter log mere tainaat hai

Jab bhi chale mera kalam
Hai kalam me dhaar
Zindagi me tere din khaali 4
Bhalti si dhun mere sir pe sawaar
Sajde me sir jabhi hoti azaan
Kar rele punya, kar rele paap
Ek galti maaf
Do galti laafa
Seedha tere kaan karde apan laal

Pehchana kya?
Shakal se jaante naam batana kya
Akal se kaam le g@nd na marana
Katal yahan aam hai samne aana na
Pehna jo shades woh dolce & gabbana ka
Ghar se nikalte pehnu bandana
Haan khata mai rapper ye kaam rozana ka
Abhi se nahi mai pehle se

Youtube pe dekh jaake who am i
Mere style hai classy kare sab admire
Hota fail mai jab bhi kehta one more time
Mera mojo strong hai seedha do or die
Maine dekhe loss mai jaanu khudh ka price
Mera baap hai sath tu mat de advice
Mujhe boht se kaam mai ni free all time
Main hu khud ka boss i never be on time

Mai gaane banata
Akele jab jaata
Un logo me lag jaati bheed
Na zakhm dikhata insaano ko
Khoon ke pyase ye i never bleed

Main nahi god par chala tu sath mere
Toh mai karunga lead
Main khud se ni jeeta hu
Aaj tak kaise karega koi mujhse compete

Mere ko dekh banara empire

Mere se jale du hathon ko sek
Bane ye goat ye saare vampire ye peete ni blood
They suckin my d!Ck
Kare jo feel wo kare relate
Ain't no bar it's all about faith
Public ko pasand ye music ka taste
To l*de pe hate paisa aur fame

Ladke idhar jeete apni dreams bey
Izzat nahi milegi to le lenge hum cheenke
Independent label udaa diya sabki neendein
Br on the top takeover kardaale scene
It's a new day!

Kalyan se hum laate bole bangers
Bajta jabhi mai everybody put your hands up
Sadko pe khade faile bande jaise cancer
Tu gangster toh pohche mere bande leke backup

Toh back up sabhi lafange na sunege kisi ki baat ab
Tere bhashan tere pas rakh khilaf na kisi ke baat kar
Khade khade tujhe pade pade
Khali baatein na mai karu bade bade

Guneghari kafi sare bhare pade
Teri fati jabhi sabhi chade chade
Abbe chale chane tumhe pata nahi hai
Pade fan fan tumhe jagah nahi hai

Sale band padh tumhe salah di hai dekho
Fat fat maine kama liya mere dum par
Tumhe pata nahi kya mera maqsad
Mai sikhane aya yaha culture
Baj mat band padh, chal vat

100 taka atka tu bad trip me
Kaat dega verse likhu catchy mai
Ek nazar me nazar chura lenge
Kavve ko bharunga seedha atechi mai

Mujhe maalum hai tera hai gala kharab
Apne se aadi to gala kata
One to one aaja ya kala bata
Goni me daalke karu laapata

Mann kiya studio me jab chale jaaye kabhi bhi
Mere bhai log beat pe hai sarfire bhai hatele

Bhai tera bambai me hal-chal machaye
Jidhar bhi jaaye bas gardi badhaye
G@nd maarne ka meko bohat charbi chadha hai
Thole bhi naake pe bhalta machaye
Bohat harami hai humlog tu jaanle
Nasbandi karne ke baad teri haldi lagaye

Tight mera punch seedha kidney pe fight
Teri jaan mere hath me hai kidney ka rights
Bombay ke bahar mera sydney ka flight

Kara maine jo bhi beta
Mere pe bharosa
Maine rakha tabhi beta
Mere ganone bharosa

Mai to haara baar baar
Fir bhi kara baar baar
Mujhe pata beta jeetunga mai
Kisi ko naa kosa
Inhe pata bhi nai
Kaise kare jaise karu mai

Musical hu mai
Miracle hu mai
Mera kal hu mai
Teda jo bhi banega be
Seedha karu mai
Chava bantai bandiyo ko fida karu mei

Kaise kare aise kaata kuti jaise maine kara
Mai toh matha pacchi bhi na paalu
Kisi ka mai khaa lu kisike mai favourite rapper
Mai hu aisa rapper

Mai kamake batara
Ki sirf gaane dalne se paise kamata hai kaise rapper
Mai toh waise yaha par baitha bore hora bhai
Bantai jaha par hai waha par shor hora bhai

Bohat hua bhai log aa gayele bhai log
Bhai log hai tabhi to haan gaane me dialouge hai
Ghayal ho gaye jo mere baare kare buraai
Bkp show pe barricade de tod aaye
Andar kyunki bhai ka bajra gaana
Kachra gaana daale sale kar dikhana
Meri tarah jo bhi gaana dala saara banger

Backhane bajta tu bachkani mendak
Bass ka nai kisi ke bhi baksha nai mai toh
Maska ni maske se maska hai ye flow
Bas kar na diss mujhe deta fame inhe par
Malum na samne koi bachta nai bhencho

Haan leke ghusu poora jitna bhi andar hai bahrela skill
Koi bhi ilaake se aane de maalum na antophill

Mera flow bole globally
Vocally wo gully
Jo gully tu kabhi 2 kalli
Brocolli lene ko jaane ka
Ye teri naukari
Chhokri wokri dediyeli chowkadi

Chopper hai baa
Rocket hai baa
Flow mera topper hai baa
Jo karu mai usme
Kya kare baa
Kon karega
Scene poora mara pada
Saare bhare joker hai baa
