

What ch you wanna do?  
Take me to court sue me  
After the last time  
You should be scared of losing  
Not gonna lie, you made me cry  
But now i look back at che  
And i find you amusing  
I tried to fly  
But you pulled me down  
When i needed you  
You were not around  
You could've been with me  
We could have made it big  
But you stay rockin them local gigs

Still never hit the stage  
Say yo name  
Throw you shade  
Or put the blame on you  
Today imma let you know  
Set you free  
Bharatlyrics.com  
Off you go it's all good baby  
Cause all you boys..

All you boys, are my toys  
You thought that you played me  
The joke is on you mo#?\*f#?&er

What ch you wanna do?  
Take me to the studio  
Talk dirty to me  
Tell me to creep with you on the low  
I spoke up, you choke up  
We broke up  
And now you wanna

BHARAT  
lyrics

Blame me for the f#ck up

Everytime i signed on the dotted line  
You din't keep your promises  
But i kept mine  
I thought you had my back  
Yes i was wrong, i guess i'm glad  
I only let you be on one of my songs

Still never hit the stage  
Say yo name  
Throw you shade  
Or put the blame on you  
Today imma let you know  
Set you free  
Off you go it's all good baby  
Cause all you boys..  
Yeah all you boys

All you boys, are my toys  
You thought that you played me  
The joke is on you mo#?\*f#?&er  
Tried to play a game with me  
And dint know the rules  
You snooze, so you loose mo#?\*f#?&er  
Loose mo#?\*f#?&er

You took six months  
To produce a song  
Threatened to leak it  
If i don't do what you want  
Are you serious?  
I dare you to leak my song  
I'll teach you a lesson  
About messin with the wrong one  
Plus you gotta few things  
You could learn yourself  
Get out of my way  
Dont wanna burn yourself  
Why you tried to play games

BHARAT  
lyrics

Still a mystery  
Now you're just a short page  
In my history

Still never hit the stage  
Say yo name  
Throw you shade  
Or put the blame on you  
Today imma let you know  
Set you free  
Off you go it's all good baby  
Cause all you boys..  
Hahaha.. All you boys

All you boys, are my toys  
You thought that you played me  
The joke is on you mo#?\*f#?&er  
Tried to play a game with me  
And din't know the rules  
You snooze, so you loose mo#?\*f#?&er  
All you boys, are my toys  
You thought that you played me  
The joke is on you mo#?\*f#?&er  
Tried to play a game with me  
And din't know the rules  
You snooze, so you loose mo#?\*f#?&er

Eh you, you too  
Wanna be pumps in delhi  
Don't ever call my cellie  
I forgot i ever knew you  
I don't even wanna talk about you

And don't think for a second  
That i din't know  
That you made money  
Off of all of my shows  
And bro! We could've been together  
At the top but there you go

Doing your cheap tricks

Thinkin you're so slick  
Makin a quick buck  
Suckin a quick ##\*\* buglar

All you boys, are my toys  
You thought that you played me  
The joke is on you mo#?\*f#?&er  
Tried to play a game with me  
And din't know the rules  
You snooze, so you loose mo#?\*f#?&er  
Loose mo#?\*f#?&er..
