

# The Monster Song Lyrics

---

Bandha bandha bandha bandha bandha  
Aaya aaya occhadu roi  
Vannu vannu vannu vannu vannu  
Vandaan vandaan vadittan paar

Odu odu odu odu odu odu  
Odu paragettu roi  
Nilapadaku nilabeda nikkallo  
Nikkaade iske saamne khade  
Honeka nahi

He be walking on fire, making it rain

He's a mamas boy  
The ladies love him  
Doesn't make him any sympathetic

Boom goes a bullet in one's brain  
Boom in another man's head  
Boom boom boom  
Dont start a war not with the rocking star

He's hustlin, he bleedin  
Don't stop till he finished  
Not a people pleaser

He's a hunter he kills  
He a leader he leads us  
That profile is only his teaser

Everybody is a gangster  
Till you see the monster.
