Stylea thaandi peratti paaru
Bangama therikkum ennoda history

Thamatta dandaa moodu pinnale
Vandhu nippandaa otha sollale
Offu pannitta allara uduvaan
Machaangaleya rendu kannale

Thukku puttunaa odum railu
Attala uttaala bangam failu
Seeri varum sirutha styleu
Massu dhaan en maadan roleu

Singam vandhamaaga nadandhu varudhu
Kannu paarvayila puyaru theriyudhu
Kattaya edutha paattiyum varudhu
Sollu theriyala pattula theriyudhu

Padhilu mikkalu aayidum daaru
Orae panjula open dooru
Thaaru maaru thaacha choru
Layandu varuthu bayantha navuru

I love you you silent machi
Solra pulla solra pulla
Namma pulla nimiru kanno
Thirumbi paathaa aayidum ranno
Lion now coming soonu daa

Dai silent-a irundha cute-u kanno
Lukku uttaa fayaeru thanno
Singala varuvaan andha vela daa
Dai dai

Pasiyaa vandha ragadamaaga
Irukkum kiliya murichaa kela

Naadi narambula thudikkum keti
Asachaa adhu erumala ena vedikkum

Kanna asachaa idhi idi mazhai
Enna idikkum kobam pattu
Nadandhu vandha bhoomi mothama adhirum
Dai ishta thaanda kettayela
Justuu nowula chitharum

Nimura thaanda murachi vandha
Kanno rendo sevakkum
Vengam pola paanju vandha
Verithanamaa irukkum
