

The World Of Gopi Lyrics

Aaru nee nigooda dhehiye
Kaattu polalanja gopiye
Thallu koodi naattukaaru dhe
Thedi ninne amma paithale

Nee bejaaravalle
Onengum poville
Karayaake praakunne
Kari raavin vaavalle
Pani cheyyaan aaville
Thari polum nannaavoole

What a disaster
Pashayillaatha plaster
Ee naadum edum ettu paadane
Nee what a disaster
Saba kai vitta paster
Aaraanu ninne orthu kezhane

Thirayaay theeyaay
Theyy anglithetharayaay
Changaathi kanakkoru chekkanum
Vattinu koottaay

Pazhiyaay pizhayaay
Paazhaay pakalettharayaay
Paniyillaathoorilivan
Thozhu kaikalumaay

Kunnumelerum paiyyum ninne chodiche
Mindunne kavungukal ninne kuriche
Kannummel ennayozhichatta karuppan
Andhyolam cholelolam ninne thiranje

Thadimaadan nadappunde
Athu friend aanurappunde
Pakalaayaal adikoodaan
Ivanennaa veeraane

Avanenum thirakkaane
Paniyillaathuzhappaane
Ee gunamillaa chekkan
Ithenthu nadappaane

Pala kaliyum naattil mudakkiyivan
Oru vyaadhi pol kara nirayunnunde
Kalahamathil ere nipinanivan
Vallikalaay naattil ivan njelinjirikkunne

What a disaster
Pashayillaatha plaster
Ee naadum edum ettu paadane
Nee what a disaster
Saba kai vitta paster
Aaraanu ninne orthu kezhane

Thirayaay theeyaay
Theyyaglithetharayaay
Changaathi kanakkoru chekkanum
Vattinu koottaay

Pazhiyaay pizhayaay
Paazhaay pakalettharayaay
Paniyillaathoorilivan
Thozhu kaikalumaay
