

Theদিনen Song Lyrics

Un uyir naan ena ezhuthiya poigalil
Raththam indru kasainthathadi
Oru uyir unakkena neeyum enthan vidhiyena
Azhagu naatkal mudinthathadi

Maatrangal vanthathal
Maaridum nenjamma
Unakku vazhntha naal
Thiruppi kidaikkuma

Anbe naan yengginen
Un neram vendinen
Nee pona thooramthil
Ennai naan theদিনen

Kanavu kanavu kanavu kalainthu ponathenadi
Nizhalum nerambum sadhaiyum kalanthu ponathaladi
Dhinamum unnaiye nenachi azhunthu porandu thoonguren
Thookkam kooda thookkil thonguthe

Thookkame thookkil thongi ponathala
Kaatril karainchu pogiren
Kadhal valayil vizhunthu kidanthu
Kaayam pattu kidakkuren

Paasam thantha karangal
Indru paavam pattu vilaguthe
Vesham poda theriyamal
Thooram thalli ennai theদিনen
