---

Punalo asaiyaamalae aadudhae  
Endhan ulagae un kannile aadudhae

Vinnellaam mozhi minnum azhagai  
Iru kaiyil kuviththaan  
Avan unnai padaithaan

Iravaal un kangal chedhukki  
Naan ullae vizha  
Enakkaaga avan koduthaan

Theethiriyaai aanen  
Undhan anbilae  
Bharatlyrics.com  
Seeri theendal inba  
Thee endhan melae

En meedhi vaazhvil nee vendumae  
Uyir aanaai endraal adhu podhumae

Nee adhikaalai keetrin oliyaa  
Menpesum kaatrin mozhiyaa  
Kannaalae ennai koththi  
Azhagaakkum aasai oliyaa

Nee tharai veezhntha  
Vinmeen thugala  
Vennilavin kadaisi magala  
Padaithavanin perumai pesum  
Needhaan avan pugazha

Andathin inbaththin moththathai  
Than kaiyil eduthaan  
Pin unnai vadithaan

Iravaai un kangal chedhukki  
Naan ullae vizha  
Enakkaaga avan koduthaan

Theethiriyaai aanen  
Undhan anbilae  
Seeri theendal inba  
Thee endhan melae

En meedhi vaazhvil nee vendumae

Uyir aanaai endraal adhu podhumae.
