

Oo thehree si sehmi si
Hai zindagi udne do
Behti nadi se thodi si
Nami chun ne do
Khamoshi sunn ne do
Khwabon ko bunn ne do
Hatheliyon pe likhi
Dastaan badalne do
Ho ho woh

Madham si madhosi
Dheemi si sargoshi
Sunn sako toh

Suno dil ke taar
Yunhi milte raho
Baar baar

Ho kaisi sheher hai
Yeh kaisa asar hai bata
Bin jaane bin bole
Humko sabhi hai pata
Thoda sa dard hai
Saans bhi sard hai
Par tera aashiyaan
Mil gaya chahiye kya
Ho ho woh

Simti simti saundhi
Si hai dupehar
Beeghe bechainiyon mein
Doobi si hai yeh leher
Chaayi hai chashni
Par hai khoyi kami
Ho sakoon jis jagah
Paya hai tumhe wahan
Ho ho woh

Baahon me leke tumhe
Kuchh na kuchh bol de

lyrics

Chahat ki nadiyan mein
Chandi ka ras ghol de
Aao na saath do
Mujhko parwaz do
Koi meethi si kaano
Mein awaaz do
Ho ho woh.
