---

Thelavarene saamy  
Thelavarene naa saamy  
Thelavarene saamy  
Thelavarene naa saamy

Manasa manasa  
Maaripoyene varasa  
Kalisa kalisa  
Vaana villune kalisa

Kalalona geesina bommane  
Ne neruga chusa  
Madhilona pusina premani  
Oo maataga chesa

Nuvveleka lenani  
Aa maate cheppesa  
Navvesi sye andhani  
Gaalullo ganthesa

Thelavarene saamy  
Thelavarene naa saamy  
Thelavarene saamy  
Thelavarene naa saamy

Padhale pedalemo daatenuga  
Ivale tere teesi chusenuga  
Padhale pedalemo daatenuga  
Ivale tere teesi chusenuga

Naa dari cherene  
Arudaina neti seeta  
Naa kala teerene  
Bagundo emo raatha

Ee cheli kosame  
Ye yuddamaina chesta  
Nen chadivanu le  
Palumaru krishna geeta

Aa mabbula aa taarala  
Kavala cheppu jabita  
Kshanalalo ila ila  
Nee mundu dinchutaa
