

What have you done  
 Why have u blacked up my son  
 What people think am gonna do now  
 Think of coming right after you now  
 Do u know what it is to die  
 Can i have ur goddamn soul to fry  
 U goin down dawg u goin  
 Down son of a bih am gona  
 Blast u between ur eyes

Natak jhooth banduke aur dhaal  
 Farebi makkari har taraf yahi haal  
 Yeh shehar woh gaon  
 Yeh dhup woh chaanve  
 Thake thake se har kisike paanv  
 Baatein mulakatein waqt ki barbadi  
 Badhti hui har taraf aabadi  
 Aansu aalingan pyar aur boli  
 Mayyat khak khoon ki holi  
 Kafan dafan chita aag  
 Bachi fakat rakh hi rakh  
 Maang ujadna godon ka suna hona  
 Gam badhna dard dur ho na  
 Hatya balatkar massomon ki chit ka  
 Shoshan dhokha gandgi  
 They dont know who is he  
 They dont know who is he  
 They dont know who is he  
 They dont know who is he

Galiyan police system pareshani  
 Chalti hui yahan dhurt manmaani  
 Kaalakar hahakaar khunda shadyantra  
 Badle ki bhavna ka ubja hua mantra  
 Abhiyog saman waraant mushkil  
 Zindahi ke dhakke aur toota hua dil  
 Din hafta mahine aur saal  
 Faila hua charon taraf nakami ka jaal  
 Mann mein ubaal khuda se sawaal  
 Aakhir hua kyu tere bande ka yeh haal

Khamoshi si aayi khoon ki jab parchai  
Sawaal tha dil mein yeh ghadi kyu aayi  
Vakil mukadma tarikh ladaai  
Uljhan bitch jaan chudwai  
They dont know what is he  
They dont know what is he

Jhagda panga churebaazi  
Behas khoon ke bhare  
Hue bhitar woh hain  
Dukh takleefein  
Pareshani baar baar  
Saamne dikhawa aur peeth pe waar  
Muskil lachar jeene ki dushwari  
Nirbal beemar jurm ki karaari  
Dosti yaari jhooti hain yeh saari  
Sabke dilon mein chalaki makkari  
Dikhawa chalava nakli pehnaava  
Khokhali yeh baatein  
Aur sab hai behkawa  
Chhal ghoda aur jhootha mann  
Naam ke apne yeh bana wardipan  
Khaalis hai yeh baal hai saaf  
Aastin ke saap ki hai zyada nahi baat  
They dont know who is he  
Bharatlyrics.com  
They dont know who is he  
They dont know who is he  
They dont know who is he

Natak jhooth banduke aur dhaal  
Farebi makkari har taraf yahi haal  
Jhagda panga churebaazi  
Behas khoon ke bhare  
Hue bhitar woh hain.
