

The prophec..

I still think about you..

I still think about you..

Aaj saal pura ho gaya,  
Jad di mukki teri meri gal baat,  
Par aaj beete pala vich kho gaya,  
Socha da je chhad ke na gayi mera saath tu,

Aaj vi mangda khair teri,  
Chete kar kambdi rooh meri,

Tu bhulgi honi ikraar,  
Tu bhulgi honi mera pyar,

Par yaad karaa main,  
Tainu na kade bhuleya main,  
Tainu yaad karaa main,  
Tainu na kade bhuleya main,

Haale vi,  
Photovan nu dekhdan,  
Jinha de vich reh gaye mere saare haase,

Hun main,  
Sahareyan nu labhdan,  
Par mainu labhde na kise vi paase,

Jad di tu hogi methon door,

Yaad kar-kar main tainu,  
Hoya choor,

Tu bhulgi honi ikraar,  
Tu bhulgi honi mera pyar,

Par yaad karaa main,  
Tainu na kade bhuleya main,  
Tainu yaad karaa main,  
Tainu na kade bhuleya main,

Das de,  
Pal hun kiven guzaran kaleyan hun main,  
Das de,  
Hun kiven bhulan tainu main,

Soch soch dil mera roz pachhtave,  
Jo si hunda tere dil vich,  
Kaash tainu yaad aave,

Tainu yaad karaa main,  
Tainu na kade bhuleya main,

I still think about you..  
I still think about you..
