

Haan yeh dunne se dune ke  
Kadamon ko jaane kya huwa hai  
Main ruku par ruke na  
Yeh inape chhaaya ik nasha hai  
Yeh nasha aisa gehara  
Nasha kabhi dekha hi nahi tha  
Kya karun kya kahun  
Aisa hoga maine socha hi nahi tha  
Yeh mujhako jo huwa hai,  
Kya tumako bhi huwa hai  
This beat is really thumping,  
Now get them pumping  
Everybody go o o o  
Abhi abhi yun laga hai ke  
Raahon mein aayi har khushi hai  
Abhi abhi yun laga hai ke  
Aankhon pe chhaayi bekhudi hai  
Pal pal jaane har pal mujhako  
Lagata kyun naya hai  
Kahin main kahin dil kahin jaa

Mujhe kuchh toh ho gaya hai  
Yeh mujhako jo huwa hai,  
Kya tumako yeh pata hai  
This beat is really thumping,  
Now get them pumping

Jindagi toh hai char dino ki  
Par tujhako kya padi hai  
Phir na aau jaau phisalake  
Yeh kehati har ghadi hai  
Tik tik yeh ghadi tik tik mein  
Fasein toh hum sabhi hai  
Matlab nahi hamein aisi baaton se  
Hum toh ajanabi hai  
Yeh sach hai tum bhi jaano,  
Mera kehana tum bhi maano  
This beat is really thumping,  
Now get them pumping  
Yeh mujhako jo huwa hai,

Kya tumako bhi huwa hai  
This beat is really thumping,  
Now get them pumping.
