

Thithikkirathe Kungal Song Lyrics

Thithikkirathe kungal ethethanayo pengal
Adhil unnai mattum kandal uyir poraadum
Unnai thodarum sorkal pathikirathe parkal
Idhu than un thaakkam endral manam ennaagum

Oru naal naan kai pidipen endru
Yositha kaalam athuve

Un mel naan konda kadhaluke
Kaalam maalaigal soottiyathenge

Un viral koorthu oru megam dhooram
Nilai ariyamal naan nadappen
Un mugam paarthu en vizhi moodi
Pala yugam kuda naan kadappen

Kalalaiyil poorvaikul
Unthan chinna mugam kandu
Naan ennaiye killi dhinam viyapene

En pakkathil nee irukka
Ivan ivan vaazhvu oru
Muththathal nandri solli naanum siripene

Marainthe naan kadhai pesum
Marathin arugil nedu kural ketkum
Alai vaangi alaikal inime
Karaigal naam thadam yerukum

Un otrai chithiram macham iravaagum vennila
Kurumpagi koththira kannil varum kooppai minnalai

Un viral koorthu oru megam dhooram
Nilai ariyamal naan nadappen
Un mugam paarthu en vizhi moodi
Pala yugam kuda naan kadappen

Thithikkirathe kungal ethethanayo pengal
Adhil unnai mattum kandal uyir poraadum
Unnai thodarum sorkal pathikirathe parkal
Idhu than un thaakkam endral manam ennaagum.
