

Thoda sa thehro
Karti hu tumse wada,
Pura hoga tumhaara iraada
Karti hu tumse wada,
Pura hoga tumhaara iraada
Main hu saari ki saari tumhaari,
Phir kaahe ko juldi karu
Thoda sa thehro
Thoda sa thehro

Pehle mujhe apana humraaz banaao
Pehle mujhe apana humraaz banaao
Phir tum mere dil ke armaan jagaa
Waqt dhalega, dil machalega,
Kareng hum tum pyaar
Ek baat ki baat hi kya hai,
Baatein hong hazaar

Are thoda sa thehro
Karti hu tumse wada,
Pura hoga tumhaara iraada

Karti hu tumse wada,
Pura hoga tumhaara iraada
Main hu saari ki saari tumhaari,
Phir kaahe ko juldi karu
Thoda sa thehro
Thoda sa thehro

Dil ko mere jito tab haath badhaao
Dil ko mere jito tab haath badhaao
Apani mohabbat ka ehsaas dilaa
Gul bhi khilenge, hum bhi milenge
Milane toh do jasbaad
Tum mujhe samajho,
Main tumhein samajhu
Tabhi milega saath
Are thoda sa thehro
Karti hu tumse wada,
Pura hoga tumhaara iraada
