Damaku damaku intha man mele  
Damaku damaku intha man mele

Ne uraiyaadu  
Vidiya vidiya oorkkathai pesu  
Neraiya neraiya intha ramulusum  
Nelavu eriyum ada orangaadhe

O... Sakkaraiyaa maarudhe nodi  
Akkarai kottura manasa nee pidi  
Nenjula molaikkira aasai kaaththula yeri  
Oonjalum aadiduthe

Rekkaiya kattuthe kattuthe nodi  
Minnala vettuthe vettuthe vigghi  
Minmini vaarthaiya pesi iru usir engo  
Oorvalam poyiduthe

Ada kaathalin kannula  
Rendume maattiduthe

Puriyaatha oravaaga  
Nee usirkkatil pookkura  
Nodiyenum velagaatha  
Oor ninappaga maarura  
Karaiyera therinjalum  
Naa unakkulla moolguren

Intha kaalam neelumaa  
Valikaatti povumaa  
Ada enguthe enguthe  
Paarvaiyil kekkuthea  
Vaanjaiyaa poonguruvi

Adaikoondai vittuthaan  
Oru koodu kattuthe  
Atha mellama mellama  
Aaduthe aaduthe  
Innoru bhomiya kaattiduthe

Athil uraiyaadu  
Vidiya vidiya oorkkathai pesu  
Neraiya neriya intha ramulusum  
Nelavu eriyum ada orangaadhe

Maruthani sevappaga  
Nee nirangootti pogura  
Thavamethum kodukkatha  
Oor varambola seruva

Enakketha theriyaama  
Naa unakkulla vaaluren

Intha koothu inikuthu  
Thannai thane marakkuthu  
Ithu enanu enanu  
Yaruku theriyumo  
Yaar senja manthiramo

Nijamaaga nilaikkuma  
Kanavaagi kalaiyuma  
Antha rendukkum mathiyil  
Sikkuthe sikkuthe  
Sathamillama sokiduthe

Ini manam pole  
Damaku damaku ini manam pole  
Damaku damaku intha man mele  
Damaku damaku intha man mele

Athil uraiyaadu  
Vidiya vidiya oorkkathai pesu  
Neraiya neriya intha ramulusum  
Nelavu eriyum ada orangaadhe.
