Dhammentho choopedadhaam
Thalapadadhaam

Dhamme dham dham
Dham sannaddham
Rangam sarvam siddham

Swamey manam dhamme
Dharmamga aduggeddhaam
Dhammentho choopedadhaam
Idhi bhalluna phelluna paelina mounam

Hooo hooo ooo
Edurunnadhi evarainaaa
Ediriddhaam thalavanchaedhey
Laedani chebudhaam
Saiyyantoobarilo dhigudhaam
Tholi gelupu jendaa

Eguraddaam jankedhey ledhu
Mahaanetha vaarasulu manam
Pourushaala seema biddalam
Gaayamaidhi aathma gauravam

Pecchumeeruthondhi petthanam
Kontha varakaey orchukogalam
Theginchamo thelchukogalam
Chaaluu chaaluu chaaluu

Oodigam anichey hastham
Vireche virulam avudham
Heyy anivaaryam dhikkaaram

Avasaramae ee samaram

Idhi soonyam penu soonyam

Samayam thadabadakannadhi
Manonischayam konasaagaali sevaakaaryam

Aagiporaadhugaa aasayam
Janamey dhairyam
Janamey sainyam

Ika antharaayame leni
Gamaname gamyam
Anumathulu parimithulu eka chelle
Edaithe kani payanam kadile
Sandehame ledu asale
Mana vijayam ikkada nundi modale
Jankkedi ledu

Mahaanaetha vaarasulu manam
Pourushaala seema biddalam
Gaayamaidhi aathma gauravam
Pecchumeeruthondhi petthanam

Kontha varakaey orchukogalam
Theginchamo thelchukogalam
Chaaluu chaalu chaalu oodigam
Anichaey hastham
Vireche virulam avudham
