

Thoongum Podhu Song Lyrics

Thungum bothun nyabagam
Thedi parthen un mugam
Neril unnai parthathum
Kangal mooda marakkiren

Haiyaiyo
Unnale endhan
Kaalangal ellam aaruthae
Indrodu
Ennoda vaanil
Vannangal ellam kooduthae

En swasam nee
Un thedal naan
En aazhi nee
Neendhum meenaai naan

Thungum bothun nyabagam
Thedi parthen un mugam
Neril unnai parthathum
Kangal mooda marakkiren

Maalai saarthinaal
Kodhai maalai maatrinaal
Maiyalai thayalal
Maamalar karathinaal

Ilayai theendum paniyai pol
Viralgal unnai theendum theendum
Maalai nera thaeneer pol
Anbe anbe nee vendum
