

Thorappan Song Lyrics

Thattumpurathu cherukkan
Thattipparikkana kurukkan
Vattupidippikkum kirukkan
Ee thorappan

Koode pirappaval
Thorappante pengal
Thorakkanathentha
Thenga poolo nero

Thengayalla thorappan nenchane
Thorathiyonnadikkum pennaane
Kuzhi manthi thala mele
Eriyunne

Aangalayum pengalum thannaano
Peruchaazhi family thannaano
Kashapishayum kalapilayum
Thudarunne

Adukkala thorannu varum
Aduppilum manathu nokkum
Choolukondu chuzhattiyadikkum
Alari chithariye

Thorappanum koottukaarum
Naaduchutti karandu thinnum
Ullathellaam kocheli moottheli
Chundeli kunjeli thorannu thoranne

Ellarum oru malappurayil
Kazhiyunnora
Ennalum choriyunnoru
Rasame sukham

Randaalum kandaalum
Enthelum mindiyaalum
Kalaham kayarum
Oru kadhayiniyariyaam

Thengayalla thorappan nenchane
Thorathiyonnadikkum pennaane
Kuzhi manthi thala mele
Eriyunne
