

Thudarkadha Song Lyrics

Nera ith thudarkadha
Bhagam nerum thalakumel udhikave
Naadum nadu nivarthanu
Kaalam melle chirichu kondur irikave

Vannalantha aana kandalantha
Veezhthananel navonnunde
Kannelengan kombu kondalantha
Kaadu kulukan thalayonnude

Nera ith thudarkadha
Bhagam nerum thalakumel udhikave
Naadum nadu nivarthanu
Kaalam melle chirichu kondur irikave

Aararum ee vazhi undo
Kettum mindeem pokenam
Ee naattil jeevitham onne
Kandam kondum vazhenam

Kattil malankolonnu munnil
Kaane kaane kaivittene
Kootil thalayittonu noki
Pone pone kalavanenne

Nera ith thudarkadha
Bhagam nerum thalakumel udhikave
Naadum nadu nivarthanu
Kaalam melle chirichu kondur irikave

Paayaram parayum neram
Pathirum kathirum nokenam
Ee lokam chuttum neram
Palrum parthum mattenam

Dhoore kara pattanayi nammal
Edavum valavum thuzhayunude
Thazhe kai vittonu noki
Nenjum kannum pukayunnunde

Nera ith thudarkadha
Bhagam nerum thalakumel udhikave
Naadum nadu nivarthanu
Kaalam melle chirichu kondur irikave
