

Ye jhijhakane, ye thithakane
Ye lubhaane ki ada
Tu vohi hai, kah rahi hai
Sar jhukaane ki ada
Thumak, thumak
Thumak thumak thumak
Haay chali hai tu kidhar
Kab se teri kaatir
Phirata main dar badar
Thumak thumak thumak
Haai chali hai tu kidhar

Mu chupaana, zulm dhaana
Aazamaana chhod de
Mu chupaana, zulm dhaana
Aazamaana chhod de

Mil gaye dil, khil gaye dil
Ab sataana chhod de
Thumak
Thumak thumak thumak
Haay chali hai tu kidhar
Kab se teri kaatir
Phirata main dar badar
Thumak thumak thumak
Haai chali hai tu kidhar

Tu hasin hai, naazani hai
Ye to hai dil ko yakin
Tu hasin hai, naazani hai
Ye to hai dil ko yakin

Aankh uthaakar dekh dil bar
Kuchh bure ham bhi nahin
Thumak
Thumak thumak thumak
Haay chali hai tu kidhar
Kab se teri kaatir,
Phirata main dar badar
Thumak thumak thumak

Gunagunaati musakuraati

Laut aai hai bahaar

Laut aai hai bahaar

Le gayi ji, ek kali

Aur phul laai hai bahaar

Thumak

Thumak thumak thumak

Haay chali hai tu kidhar

Kab se teri kaatir,

Phirata main dar badar

Thumak thumak thumak
