

Look at my eye tell me a lie  
Give me a try bye bye  
Let me a role give me control  
Leave the whole bye bye  
This is the time do the crime  
We're otta line bye bye  
Let me a role give me control  
Leave the whole bye bye

Hello na ishq mein chalein  
Udhaar ya kabhi  
Jo hai abhi mera de de tu  
Hello ye neendon ka nasha  
Jo aankhon mein hai bhara  
Tera hai tera le le tu

Ye titliyan hain  
Jo udd gayin toh  
Jo mud gayin toh  
Phir kabhi na mile

Labon ke pyaale tere hawale  
Ye pal gulaabi  
Libaas ye haya ka tu utaar de  
Zara zara

Yahin bas yahin raat hai zindagi  
Kal tu hoga kahin main kahin aur  
Yahan bas yahan banti hain kismatein  
Khatam hote hain tishnagi ye daur  
Aa ha

Hello yeh raatein jo gayi  
Toh naa mile kabhi  
Ye hai teri abhi jee le tu

Hello yeh husn ki gali  
Hai chaand ki dali  
Ye jaam sharbati pee le tu

Ye titliyan hain

Adaa har ada mein  
Bhari shokhiyan  
Husn kehte jise  
Hai reshmi dor  
Haan yahin bas yahin  
Hai zameen pe jannatein  
Waqt ye keh raha  
Aa meri aur aa ha

Hello ameer ho  
Rahi faqeerian meri  
Jo kho raha mera khone de  
Hello yeh khwabon ka safar  
Fakat hai raat bhar  
Jo ho raha tera hone de

Ye titliyan hain  
Jo udd gayin toh  
Jo mud gayin toh  
Phir kabhi na milein
