

Todkar dil ye mera kyaa kahin baat main
Ruthkar yun na jaa iss haseen raat mein
Thoda sa lift dede dil mera gift lele
Thoda sa lift dede dil mera gift lele
Aye meri jaane adaa
Main hoon tera hoon main tera deewana
Main hoon tera hoon main tera deewana

Todkar dil ye mera kyaa kahin baat main
Ruthkar yun na jaa iss haseen raat mein
Thoda sa lift dede dil mera gift lele
Thoda sa lift dede dil mera gift lele
Aye meri jaane adaa
Main hoon tera hoon main tera deewana
Main hoon tera hoon main tera deewana

Tu bhi haseen hain main bhi jawaan hoon
Aa dono pyaar karein
Duniya se hokar aaj begaane
Aankhein chaar karein
Tu bhi haseen hain main bhi jawaan hoon

Aa dono pyaar karein
Duniya se hokar aaj begaane
Aankhein chaar karein
Mushkurar kar tu de de
Haatho ko haath mein
Ruthkar yun na jaa iss haseen raat mein
Thoda sa lift dede dil mera gift lele
Thoda sa lift dede dil mera gift lele
Aye meri jaane adaa
Main hoon tera hoon main tera deewana
Main hoon tera hoon main tera deewana

Matwala mausam yun keh raha hain
Baahon mein tum jhool jaa
Masti ke din hain saare ghamo ko
Aankha se door le jaa

Matwala mausam yun keh raha hain

Baahon mein tum jhool jaa
Masti ke din hain saare ghamo ko
Aankha se door le jaa
Chaandani gaa rahi hain
Chaand ke saath mein
Ruthkar yun na jaa iss haseen raat mein
Thoda sa lift dede dil mera gift lele
Thoda sa lift dede dil mera gift lele
Aye meri jaane adaa
Main hoon tera hoon main tera deewana
Main hoon tera hoon main tera deewana

Jhalta hain ye dil dil pe hamarein
Pyaar ki barsaat kar
Angdaai le kar baahon mein meri
Aaj pasaar raat kar
Jhalta hain ye dil dil pe hamarein
Pyaar ki barsaat kar
Angdaai le kar baahon mein meri
Aaj pasaar raat kar
Dil machal ne laga hain
Aise haalat mein
Ruthkar yun na jaa iss haseen raat mein
Thoda sa lift dede dil mera gift lele
Thoda sa lift dede dil mera gift lele
Aye meri jaane adaa
Main hoon tera hoon main tera deewana
Main hoon tera hoon main tera deewana
Main hoon tera hoon main tera deewana
Main hoon tera hoon main tera deewana.
