

Tera mukhada chaand kaa tukda lagata sona sona  
Husn kee malika tere jaisa aur na koyee hona  
Too hai kudde amritsar waalee ghar mera ludhiana  
Too hai kudde amritsar waalee ghar mera ludhiana  
Mai punjabi too punjaban, phir kaave sharmaana  
Toh chal phir bhangda pa le  
Toh chal phir bhangda pa le  
Toh chal phir bhangda pa le  
Toh chal phir bhangda pa le

Mujhko toh lagata hai, mundia dil tera divaana  
Laakh bahane kar le mujhako tere naal na jaana  
Toh chal phir bhangda pa le  
Toh chal phir bhangda pa le  
Toh chal phir bhangda pa le  
Toh chal phir bhangda pa le

Kee kara mai kee kara, jab dil me pasand hai too  
Gal meree sunle saathee, mainnu chun le keh de i love you  
Raanjhana we raanjhana mujhe dil nako de de na  
Pyaar kaa iss pyaar kaa mujhe dard nahee lena  
Meree nigaaho se abb tera mushkil hai bach paana
