

Chikthe re teri the yeh hun
Hun darthe si yeh hun

Kyun main gunguna rahi
Kuch zyada musku rarahi
Hoga kya tonight
Yun toh main kush hoon magar
Thodi thodi ghabra rahi
Hoga kya tonight

Dekhe hain jo sapne sabhi
Woh pehle pyar ke
Sach ho gaye pure hue
Pal in te zarke

Tonight tonight
Tonight tonight
Is gonna be our night
Everything will be just right
And i'll be by your side

Tonight tonight
Tonight tonight
Is gonna be our night
Everything will be just right
And i'll be by your side

Pehnoon main chun chun ke woh
Jo tere dil ko bhayega
Hoga kya tonight

Ya phir mein jaisi bhi hoon
Uss se impress ho jayega
Hoga kya tonight

Pehle nahi jaise mile
Yun milna aaj hai
Mujhse teri
Ek pal nazar
Phir hutt na payegi

Chikthe re teri the yeh hun
