

# Too Hype Song Lyrics

---

I'm too hype  
Do not wanna give i'm no body tonight  
Just solo riding  
Brothers to my left and to my right

I'm too hype  
Do not wanna give i'm no sorry tonight  
Cheers to this life  
Imma need rest if i wanna survive

Toh bole  
Barso se sadko pe sothe the hum farshon pe  
Farzo se dhoor hokar fikar nahi karmo ke  
Dard ko roll kar ke uda diye badalon mein  
Barish banke dard phir girne lagna aangano mein  
Pagal hu main  
Taaqatwar jaise sagar hu main  
Kya karu mai?  
Jasmine pasand, par jaffar hu main  
Aage peeche uske  
Kitaabon waali kahaniyan  
Na sadharan se kisse hum  
Bharatlyrics.com  
Uss zameen se nikle hum  
Haan haan

Sapne dekh dekh kar kho sa gaya mai  
Poore 10 saal game mein  
Soche ladka naya hai  
Hum dil se nikale  
Tere sar mein chapa hai  
Kyun tu itna khaafa hai  
Ab toh bohot kuch bacha hai

Hold up, i'm a rider  
Solo, i'm a fighter  
Hold up, you wired  
Focus, uninspired

I'm too hype  
Do not wanna give i'm no body tonight  
Just solo riding  
Brothers to my left and to my right

I'm too hype  
Do not wanna give i'm no sorry tonight  
Cheers to this life  
Imma need rest if i wanna survive

Bole tujh mein wo vibe nahi hai  
Jo boltha tere gaano mein  
Wo sahi mein teri life nahi hai  
Right nahi hai  
Bhook mite na agar rice nahi hai  
South wala ladka  
Har cheez mein mujhe spice chahiye

Hum hum chote kabhi wo nahi hai  
Teri kathputli shaadi wala show nahi hai  
Bandana mere gale mein haan bow nahi hai  
Ye average bollywood wala role nahi hai  
Game mere khandho pe jaise koyi hai boombox  
Haan 90 wala tupac  
Haan papa bolte goo kha  
Phir bhi nahi rootha  
Gully wala shoota  
Socha laxmi bomb dekh nikla ye bazooka

Hold up, i'm a rider  
Solo, i'm a fighter  
Hold up, you wired  
Focus, uninspired

I'm too hype  
Do not wanna give i'm no body tonight  
Just solo riding  
Brothers to my left and to my right

I'm too hype  
Do not wanna give i'm no sorry tonight

Cheers to this life  
Imma need rest if i wanna survive.
