

Toot gaya dil toot gaya  
Toot gaya dil toot gaya  
Mukadar mera mujhse ruth gaya  
Mukadar mera mujhse ruth gaya  
Toot gaya dil toot gaya  
Toot gaya dil toot gaya

Kisko dikhau mein is dil ke chhale  
Bade be murabat hai yeh duniya wale  
Kisko dikhau mein is dil ke chhale  
Bade be murabat hai yeh duniya wale  
Lut gaya koi lut gaya  
Lut gaya koi lut gaya  
Mukadar mera mujhse ruth gaya  
Toot gaya dil toot gaya  
Toot gaya dil toot gaya

Kya beeti hai mujh pe mujhe hi pata hai  
Main khamosh hu bas yeh meri khata hai

Kya beeti hai mujh pe mujhe hi pata hai  
Main khamosh hu bas yeh meri khata hai  
Fut gaya shisha fut gaya  
Mann ka shisha fut gaya  
Mukadar mera mujhse ruth gaya  
Toot gaya dil toot gaya

Meri zindagi ne yeh kya din dikhaye  
Karu kya yeh meri samaj mein na aaye  
Meri zindagi ne yeh kya din dikhaye  
Karu kya yeh meri samaj mein na aaye  
Chhut gaya sab chhut gaya  
Mera majhi chhut gaya  
Mukadar mera mujhse ruth gaya  
Toot gaya dil toot gaya  
Toot gaya dil toot gaya

Har ek mod par berukhi bebasi hai  
Kahi par hai matam kahi par khushi hai  
Is aurat ko dekho yeh majbur maa hai

Kya kya na bachho ki khatir kiya hai  
Koi bhar ke baitha hai apni tijori  
Koi baith kar karta khurshi pe chori  
Kahi par maa beti bahen lut rahi hai  
Kahi par kisi ki dulhan lut rahi hai  
Ghunehghar ko aaj milti azaadi  
Bas beghunaho ko lagti hai fansi  
Bas beghunaho ko lagti hai fansi

Toot gaya dil toot gaya  
Toot gaya dil toot gaya  
Mukadar mera mujhse ruth gaya  
Toot gaya dil toot gaya  
Toot gaya dil toot gaya.
