

Toot gaya haye tut gaya
Toot gaya haye tut gaya
Vo sajhe mohabbat tut gaya
Toot gaya haye tut gaya
Ham jisko samjhate the apna
Maloom nahi kyo rut gaya
Toot gaya haye tut gaya

Rangeen ghataye chahi thi
Rangeen ghataye chahi thi
Mehman bahare aayi thi
Vo kaun fizza ka jonka tha
Jo sara gulshan lut gaya
Vo kaun fizza ka jonka tha
Jo sara gulshan lut gaya
Toot gaya haye tut gaya

Anjame mohabbat kya kahiye
Is dil ki halat kya kahiye
Anjame mohabbat kya kahiye
Is dil ki halat kya kahiye
Ek bijli thi jo pond gayi
Ek tara tha jo tut gaya
Ek bijli thi jo pond gayi
Ek tara tha jo tut gaya
Toot gaya haye tut gaya

Kismat ke sataye baithe hai
Kismat ke sataye baithe hai
Ek chot si khaye baithe hai
Jo daman hamne thama tha
Vo daman hamse chhut gaya
Jo daman hamne thama tha
Vo daman hamse chhut gaya
Toot gaya haye tut gaya
