

Tut pani ho tut pani marjani jawani kyu ayi  
Ye jawani kyu ayi  
Mera galiyo me aana jana band ho gaya  
Mera galiyo me aana jana band ho gaya  
Kaha jau kaha jau ghabrau chupau kisse  
Mai chupau kisse  
Bairi rup mera sab ki pasand ho gaya  
Bairi rup mera sab ki pasand ho gaya

Koi mera pyar mange koi ikrar mange  
Dil bekarar hua ab kya karu  
Ek hi to dil hai badi muskil hai  
Isse ha kahu ya use na kahu  
Are jan na pahchan hai ye itna nadan  
Hai ye itna nadan  
Meri marzi ke bina razamand ho gaya  
Meri marzi ke bina razamand ho gaya  
Tut pani marjani jawani kyu ayi  
Ye jawani kyu ayi  
Mera galiyo me aana jana band ho gaya  
Mera galiyo me aana jana

Aa gaya dekho jiska mujhe intzar tha  
Jiski nigaho pe dill mera nisar tha  
Mai to janu tum na jano jiski kahaniya  
Suno thanedar ji uski nisaniya, uski nisaniya  
Kavi si boli hai tote si nak hai  
Palke langur si hai ap jaisi ankh hai  
Bholi sakal wala galo pe til wala  
Niyat hai bhediye ki, pathar ke dil wala  
Jake tum usko pakad muft me do char chapal  
Khada hai piche jakar kate chakkar pe chakkar

Lagta hai ullu jaisa lomdi si dung hai  
Basa chalak hai girgit ke rang hai  
Koi daya nahi koi sharam nahi  
Koi iman nahi koi dharam nahi  
Bada jallad hai wo bada katil hai wo  
Us pe najar meri us pe hi dil hai  
Le jawa tera dil le jawa tera dil

Le jawa tera dil  
Yahi kahi hai kanhaiya jao dhundo re sipahiya  
Jao dhundo re sipahiya  
Mera dil to usi ka razamand ho gaya  
Mera dil to usi ka razamand ho gaya  
Tera galiyo me aana jana band ho gaya  
Tera galiyo me aana jana band ho gaya.
