

Tooti phooti dhadkanno ki dekhi ho gayi shuroo phir se kahani
 Tukdo mein hain phir tera dil laayi hai kahan tujhe teri nadaani
 Jise apna tha samjha she is gone jise apna tha jaana she is gone
 Jise dil de diya dhadkane woh churaake chali

Haftha haftha hota hai jo woh ho gaya hai
 Haftha haftha hota hai jo phir ho gaya hai
 Haftha haftha hota hai jo woh ho gaya hai

Are kya kahen kise kahen
 Haftha haftha hota hai jo woh ho gaya hai
 Haftha haftha hota hai jo phir ho gaya hai
 Haftha haftha hota hai jo woh ho gaya hai
 Are kya kahe kise kahen
 Tooti phooti dhadkanno ki dekhi ho gayi shuroo phir se kahani

Aankho me hai zara si aagayi name hai
 Le raha hai tandi aahe
 Ooo sari duniya me kuch to kami hai

 Andheri hai sari raheen
 Sun saan teri baahen
 Teri thi jo maana shes is gone
 Uski ho gayi jamanat she is gone
 Ab tho pinjre mein khaid ho gayi mari rar khushi

Haftha haftha hota hai jo woh ho gaya hai
 Haftha haftha hota hai jo phir ho gaya hai
 Haftha haftha hota hai jo woh ho gaya hai
 Are kya kahen, kise kahen
 Tooti phooti dhadkanno ki dekho ho shuroo phir se kahani

Abhi jo yahaan thi jaane wo kahaan hai ho gaya hai kya na jaane
 Mujh ko yun tahnaa chod wo gayi hai
 Dil na jane kinyu na mane har dil ki kya janee
 Jis ka sapna sajaaya she is gone duniya se bachayaa she is gone
 Meri kismet hi pyar likha nahin kahin

Haftha haftha hota hai jo woh ho gaya hai
 Haftha haftha hota hai jo phir ho gaya hai
 Haftha haftha hota hai jo woh ho gaya hai

Are kya kahen, kise kahen
Tooti phooti dhadkanno ki dekhi ho shuroo phir se kahani.
