Ha aa
Aye

Aankhein jaisi khulti meri
Karte rehta kuch na kuch
Neeche woh girana chahte
Karte rehte kuch na kuch

Main na baitha rehta
Mujhko karna rehta kuch na kuch
Mujhse lena chahte
Unko karma dega kuch na kuch

Mehnat karna aaj tumko
Kal tab dega kuch na kuch
Jeena chhod deta jab
Dekhta nahi sapna tu
Mushkilein zameen mein

Main mushkilon ko dafna doon
Jo jalte mujhse unko taufa
Main sirf mere, main doon

Dekh mumbai main kahan aa gaya
Dekh mumma main kahan aa gaya

Haan

Mera naam divine hai
Shukriya sab ko

Itne saal se sun rahe tum log
Itne saal se tum log
Support karte aa rahe

Sapna tha sapna

Aur abhi bhi sapne mein
Chal rahe apan

Shout out everybody out there
Who supports the movement
Gully gang boy

Haan!
Sunega kya?

Kya bol reli hai public?
Ha-haa

Maza aata hai yaar
Gaana banane mein
Bahot maza aata hai

Gully gang boy
Koi raastey mein aayenge
Toh seedha, hurr hurr hurr

Chal vibe karte rehne ka
Paisa kamate rehna ka.
