

Triple OG Lyrics

Haan triple og ye har hood janta hai
Triple og ye har hood manta hai
Paisa wafa pyar saath mein saman laya
Achha daam laya game mein hum jaan laye

Triple og ye har hood janta hai
Triple og ye har hood manta hai
Paisa wafa pyaar saath mein saman laya
Achha daam laya game mein hum jaan laaye

Woh bole achhe se baat kar
Seeds mere feed mein tu achhe se saaf kar
Interviews chhorh chhote achha hip-hop kar
Hood mein divine nai bolte mujhe doctor

Haan kaale kapde kaali car raat ke hai saade char
Pichhe pade thaanedaar safed collar kaale kaam
Haan seedha bag mein hai hum naa jaane daam
Tu mera ek lega le lenge khaandaan

Tu karta skirt skirt hum karte bam bam
Mai meri naani always been a fuckin don
This that killer kong chhati pe thok ke
Bombay ke chhokre hum gaadi ni thokte
Aasmaan ko kiss karke beat ko hum ch**te
Party shutdown aur naam nai dhoble kya

Chalana industry toh saath mein maine shoes laya
Kamar tooti game ki toh saath mein maine moves laya
Usool laya rule laya
Maaf kiya tujhe par kabhi nai bhul paya

Haan triple og ye har hood janta hai
Triple og ye har hood manta hai
Paisa wafa pyaar saath mein saman laya
Achha daam laya game mein hum jaan laaye

Triple og ye har hood janta hai
Triple og ye har hood manta hai

Paisa wafa pyaar saath mein saman laya
Achha daam laya game mein hum jaan laaye

Haan bolte bombay mein asli beef milta nai
Jaise khelne pe ghutna tera chhilta nai
Mera fal baithke khaa chhilka nai
Mujhe dekhke bhaagta aur naam tera milkha nai

Jab hum phaadte kuchh yaha silta nai
Sab puran poli tum kuchh yahaan kulcha nai
Feature mera maangte matti meri multani
Thoda ac thoda heat bhai tera khulta nai

Haan baap ke maar ke baad kuchh mujhe dukha nai
Mai mera dard dono kabhi chhupa nai
Tere liye prarthana naam tera moosa nai
Tere saath show karu naam tera pusha nai

Pehle puchh bante phir koi puchta nai
101 mere dost koi yaha lukka nai
Bhagwaan ke alawa kisiko koi pucha nai
Tere jaise chhattis aur mere jaisa milta nai

Haan triple og ye har hood janta hai
Triple og ye har hood manta hai
Paisa wafa pyaar saath mein saman laya
Achha daam laya game mein hum jaan laaye

Triple og ye har hood janta hai
Triple og ye har hood manta hai
Paisa wafa pyaar saath mein saman laya

Achha daam laya game mein hum jaan laaye

Namaste we still gettin paid
Still rain still pain
Insane tera bhai tera bhai
Chal chal chal

Namaste we still gettin paid
Still rain still pain

Insane new chains
New car new house
Haan phenom the don
Merry christmas motherf***ers
Santa claus came in early baby
